Describe
Work to be
Done:

Sketch Plumbing One-line Diagram
or Detail:

Note:

The One-line diagram must clearly differentiate between new and existing items, and indicate ducts and pipes sizes, location of devices, support, anchoring, etc.

A large rectangular area filled with a green grid, intended for sketching a plumbing one-line diagram or detail.

Plumbing Plan Sketch:

Show Plumbing plan for each affected area.

A large grid of graph paper for sketching a plumbing plan. The grid is composed of 20 columns and 30 rows of small squares. The lines are light green. The grid is intended for drawing a plumbing plan for each affected area.

NOTE: PROVIDE SIZING CALCULATION FOR PROJECTS WITH ANY NEW LOADS.
