

RESOLUTION # 2018-33

A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF WEST MIAMI, FLORIDA, SUPPORTING THE WORLD HEALTH ORGANIZATION'S AGE-FRIENDLY CITIES AND COMMUNITIES PROGRAM AND APPROVING THE CITY'S ENROLLMENT INTO THE AARP AGE FRIENDLY COMMUNITIES INITIATIVE; PROVIDING FOR TRANSMITTAL; PROVIDING FOR AUTHORIZATION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the global population of people aged 60 and over is expected to more than double from 841 million in 2013 to almost 2 billion by 2050;ⁱ and

WHEREAS, in the United States, the population of people aged 65 and over is expected to grow from 35 million in 2000 to 88.5 million by 2050, taking the total share of the 65+ population from 12 percent to 20 percent of the total population;ⁱⁱ and

WHEREAS, the Miami-Dade County population age 60 and over is expected to grow to over 800,000 by 2040, representing 25% of the total population of Miami-Dade County; and

WHEREAS, as of 2018, the City of West Miami older adult population age 60 and over was 2,500, representing 32.5% of its population; and

WHEREAS, research shows that older Americans are looking to their communities for support so that they can stay in their homes and communities as long as possibleⁱⁱⁱ; and

WHEREAS, the City of West Miami believes that older adult population should have opportunities, options, and environments to stay active, engaged, and healthy with dignity and enjoyment; and

WHEREAS, active aging is a life-long process, whereby an age-friendly community is not just "elder-friendly" but also intended to be friendly for all ages; and

WHEREAS, the World Health Organization (WHO) has developed a Global Network of Age-Friendly Cities and Communities to encourage and promote public policies to increase the number of cities and communities that support healthy aging and thereby improve the health, well-being, satisfaction, and quality of life for older Americans; and

WHEREAS, the WHO has noted that making cities and communities age-friendly is one of the most cost effective policy approaches for responding to demographic aging," and

WHEREAS, the WHO has developed eight domains of community life that influence the health and quality of life of older people:

1. **Outdoor spaces and buildings** - accessibility to and availability of clean, safe community centers, parks, and other recreational facilities;
2. **Transportation** - safe and affordable modes of private and public transportation, "Complete Streets" types of initiatives, hospitable built environments;
3. **Housing** - wide range of housing options for older residents, aging in place and other home modification programs, housing that is accessible to transportation and community and health services;
4. **Social participation** - access to leisure and cultural activities; opportunities for older residents to participate in social and civic engagement with their peers and younger people;
5. **Respect and social inclusion** - programs to support and promote ethnic and cultural diversity, programs to encourage multigenerational interaction and dialogue, programs to combat loneliness and isolation among older residents;
6. **Civic participation and employment** - promotion of paid work and volunteer opportunities for older residents; opportunities for older residents to engage in formulation of policies relevant to their lives;
7. **Communication and information** - promotion of and access to the use of technology to keep older residents connected to their community and friends and family, both near and far; and
8. **Community support and health services** - access to homecare services, clinics, programs to promote active aging (physical exercise and healthy habits); and
9. **WHEREAS**, the WHO recognizes that counties, cities and communities have different needs, resources, and varying capacities to engage their resources to take action to facilitate active aging;
10. **WHEREAS**, Miami-Dade County has joined the WHO Age-Friendly Cities and Communities Network of municipalities encouraging and promoting public policies supporting healthy aging; and
11. **WHEREAS**, the Miami-Dade Age-Friendly Initiative works to create a community for all ages, where residents of can grow older with dignity and live active, healthy lives;
12. **NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION OF THE CITY OF WEST MIAMI, FLORIDA** that the City of West Miami supports initiatives and opportunities to engage in the WHO Age-Friendly Cities and Communities Network of municipalities and the City's enrollment into the AARP Network of Age-Friendly Communities; and

That the City of West Miami will work with its staff and departments and its stakeholders and to partner with the Miami-Dade Age-Friendly Initiative in order to encourage and promote public policies or plans that consider older adults and support healthy aging in the City of West Miami, and Miami-Dade County as a whole.

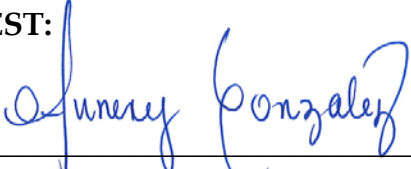

PASSED AND ADOPTED this 20th day of June 2018.
