Subject: Questions for RFQ#2022-12-05-2022 15th or 17th?

Hello,

I am the proposal coordinator at PlanIT Geo, we are in the midst of preparing for a submission for the RFQ for the Urban Forest Management Plan.

I just wanted to confirm if the questions for this RFQ are due tomorrow (Tuesday the 15th) or Thursday the 17th. Both dates are listed as the questions deadline in the RFQ.

Thanks!
